Years

Edinburgh is the second most visited city in the UK and the capital of Scotland. As a centre of culture and history, which is close to the sea, forest and mountains. Edinburgh is a perfect destination for junior students of all ages! The Edinburgh summer school will be located in classrooms close to our year-round adult school and our programme of activities is designed to ensure the students see as much of the city as possible. Our summer school team will deliver a course focusing on Scottish history, culture and international communication.
